Countless of SHIT coins get released every day, bringing nothing new to the crypto community but tons of USELESS SHIT.

From BULLSHIT promises of mastermind projects, scam coins to copycat meme tokens, it became so hard to tell the FAKE SHIT from the REAL SHIT.

NOSHIT Coin is a honest token that doesn't pretend to solve world problems. It only focuses on the NOSHIT Community, with the only goal of building an attractive and profitable ecosystem.

Through educational prize winning games and community engagement rewards, we want to teach our NOSHITTERS how tell the SHIT from NOSHIT.

Community will be rewarded with TOKENS, NFTs and other PRIZES!

PRIZE WINNING GAMES

Entertaining and Educative Prize Winning Games will be introduced regularly in order to keep the NOSHIT Platform as attractive as possible. Players can level up and earn rewards.

NOSHIT REVIEWS & AUDITS

Who can smell shit better than the poop itself. NOSHIT Platform will review and audit new tokens based on the NOSHIT Chart, professional audit, community reviews and token owner's reply itself.

COMMUNITY ENGAGEMENT REWARDS

A REAL Community of NOSHITTERS is needed to keep this shit going. Members are rewarded for every activity on the NOSHIT Platform and can redeem the rewards instantly.

IN-GAME NFTs & NOSHIT COLLECTIONS

In-game NFTs and NOSHIT NFT Collections will be introduced regularly and awarded to the community. These items may be exchanged, given as presents, sold or redeemed for tokens.

NOSHIT IS COMMITTED TO TELL THE SHIT FROM NOSHIT ON AN ECOSYSTEM THAT MAKES A SHIT LOAD OF MONEY FOR THE **NOSHIT** COMMUNITY!
